Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

CG Absolute Return Fund - GBP Class Unhedged Share; ISIN: IE00BYQ69B30

CG Absolute Return Fund a sub-fund of CG Portfolio Fund ICAV

The Management company of the Fund is FundRock Management Company (Ireland) Limited.

Objectives and Investment Policy

The investment objective of the Fund is to achieve long term capital growth in absolute terms. The Fund is actively managed and is not actively managed in reference to a benchmark.

The Fund will attempt to achieve its investment objectives by investing in a spread of direct equities, exchange traded Funds, open ended Funds, closed ended Funds, government and corporate bonds including Index-Linked Bonds, all listed on a Recognised Market. Through investing in investment trusts and investment companies, the Fund will obtain exposure to global and domestic equity markets, real estate, infrastructure, commodities and precious metals.

The Fund will also use warrants, convertible loan stocks and convertible bonds to gain exposure to these assets.

The Investment Manager will limit the use of derivative instruments to convertible bonds and warrants.

The Fund may cross-invest in other sub-funds of CG Portfolio Fund ICAV.

The Fund may not be suitable for any investor who requires their money within three years.

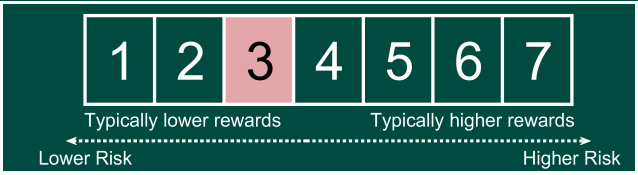
The minimum investment in the Fund is £100,000.

A dividend will be paid annually if there is income in the Fund.

Shareholders may request that Shares be redeemed on any Dealing Day by sending a written redemption request to be received by the Administrator by 10.00am (Irish time) on the relevant Dealing Day on which redemption is to take place, failing which the ICAV may hold over redemption requests until the following Dealing Day and Shares will be redeemed at the relevant Net Asset Value per Share.

More information on dealing may be obtained by calling the Fund administrator, Northern Trust on 00353 1 434 5098.

Risk and Reward Profile



Historical data may not be a reliable indication for the future.

The risk category is not guaranteed and may shift over time.

The lowest category does not mean ‘risk free’.

The Fund is ranked in this risk and reward category because the Fund is invested in more than one asset class including equities.

The Fund is subject to risks which are not included in the calculation of the risk-reward indicator. An investor can lose all of their money. The Fund is exposed to the following risks:

Credit risk - A borrower or a counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

Liquidity risk - The Fund may not be able to deal quickly enough in its investments to prevent or minimise loss.

Counterparty risk - A counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

Operational risk - A failure of systems and or personnel may result in losses.

Interest risk - Movements in interest rates could cause the value of the Fund to fall.

Currency risk - Returns from overseas securities can also be subject to fluctuations in exchange rates. The Fund does not attempt to hedge currency risk.

Derivative risk - Derivatives may result in gains or losses that are greater than the amount originally invested. The Fund normally limits its use of derivatives to convertibles and warrants.

The Fund has a large exposure to bonds issued by The United States of America. There is no guaranteed returns or protection for investors.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	Entry charge	0%
	Exit charge	0%

The Entry Charge is the maximum that might be taken out of your money before it is invested.

Charges taken from the Fund over a year	Ongoing charges	0.47%
Charges taken from the Fund under certain specific conditions	Performance fee	0%

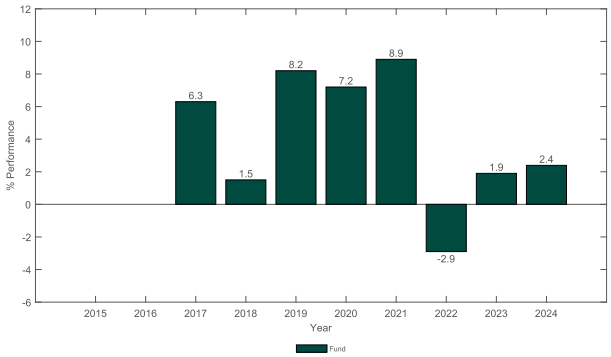
The Fund will adopt swing pricing to protect investors from dilution caused by trading costs resulting from a net flows of subscriptions and redemptions within the Fund.

The ongoing charges figure is based on expenses for the year ended 31/12/2024.

This figure may vary from year to year. This figure does not include portfolio transaction costs.

For more information about charges please see page 27 of the prospectus and any relevant supplements.

Past Performance



The share class was launched 20 May 2016.

The performance of the share class is calculated in: GBP

The Fund was launched on 20th May 2016.

Past performance is not a guide to future performance.

The performance figures will include all on-going charges and exclude any entry charges or exit charges.
